

RESEARCHING AFRICAN AMERICAN GENEALOGY

SATURDAY, FEBRUARY 22, 2020

2PM

MAIN LIBRARY AUDITORIUM

Researching African American ancestors can be challenging and in most cases can require utilizing some creative research methods. Join us as we welcome the Afro American Historical and Genealogical Society of New Jersey as they present on methods of conducting African American genealogical research. Members of the organization will discuss their own experiences in researching their ancestors as sample case studies..

Presenters:

Gene Armstead, President , Afro American Historical and Genealogical Society of New Jersey

Janice Gilyard, Vice President, Afro American Historical and Genealogical Society of New Jersey

Case Study Presenters:

Cherekana Feliciano

Christopher Cannon

Barbara Polk-Riley
