

ELIZABETH LOCAL HISTORY ROOM
UNION COUNTY / NEW JERSEY VERTICAL FILE SUBJECT INDEX

The Vertical File was created by Elizabeth Public Library Reference staff and is comprised of newspaper clippings, pamphlets, postcards, and/or photographs that cover the history of Elizabeth from the mid 1800's through 2000's. The majority of the collection comes from The Elizabeth Daily Journal, as well as gathered ephemera from various local organizations and institutions which highlight the history of the State of New Jersey and Union County. The collection is stored in a file cabinet housed in the Elizabeth Local History Room of the Elizabeth Public Library. Access to this collection is available during the Local History Room's open hours or through appointment.

The Union County and New Jersey Vertical File index is organized as follows:
